This much awaited trip after a long gap of 2 years of the unprecedented COVID times are invigorating and relaxing.the students and the accompanying teachers enjoyed the blissful and the rich opulence of nature.

# FIELD TRIPS & EXCURSIONS

“ A Picnic is more than eating a meal, it is a pleasurable state of mind.”

Educational tours are about imparting learning to provide a good base of actual hands on experience of history that boosts the mind of every student with more innovative ideas by discovering varied aspects through travelling.

First, a field trip to post – office for kindergarten was organised on Post Day. this was the most awaited trip after a gap of 2 long years of unprecedented covid times. Second, field trip was organised on transport day for pre-primary & primary section, transport park provides an opportunity to the students to learn while they play.it is the best destination for out of class learning as they are more receptive and conducive to learning while playing.
